Roger A. Schroeder
Chief of Police

The Citizens Police Academy is a program sponsored by the department for the benefit of the citizens of Jefferson City in an effort to increase understanding and awareness through interaction, education and training. The goal of the CPA is to create and develop a well-informed citizen in this 11 week course about the inner workings of the police department and how officers enforce our laws and help keep us safe.

The CPA is open to all Cole County residents, 18 years or older, who successfully pass the application process and a driver's license and criminal background check.
